

ADVENTURES WITH MARIAH

2021 Ghana Trip Overview & Itinerary
Bridging Cultures. Infusing History. Restoration. Reformation

Magical Adventures that make reading fun!

Adventures with Mariah is about an eight-year-old girl, Mariah, and her multicultural friends who travel around the world, experiencing different customs and traditions as they solve mysteries, with help from Grandpa and their combined superpowers.

Volume I - Mariah and her friends travel to Accra, Ghana to help Nana Osei Tutu, King of the Ashanti Nation, save his daughter.

To know one's history is to know oneself. Alysse Daniels, Founder and Author of Adventures with Mariah, is traveling to Ghana with a delegation in July 2021. True World Link is coordinating the trip with the goal to bring history to life, learn about the culture, support the pillars of "Beyond the Return", an initiative of the government of Ghana, and restore and enhance the lives of the group and the students they will encounter while in Ghana. Thousands of years of history is ingrained in the land and the people.

"It is important to tell our own stories as people of African descent. Adventures with Mariah has done that. It captures vividly the essence of Ghana's 'Beyond the Return', a 10-year project to promote Pan African heritage and encourage an African Renaissance. I fully endorse Adventures with Mariah."
